Renogy Power

Smart power system including 100A AC charger, 2000W inverter, 50A DCDC charger and MPPT controller. Includes touchscreen interface and mobile app control for simple and efficient energy management.

King Bed, Two Double Beds & Single Bed

Features a king and double bed, a club lounge that converts into an additional double bed, and a dining area that converts into a single bed. Sleeps up to seven in comfort.

Effortless Setup

Push-button electric lift roof and easy slide-out beds make for a quick and stress-free setup. Designed to let you spend less time assembling and more time enjoying your trip.

External Shower

Hot and cold external shower system with removable ensuite tent. Provides privacy and convenience for showering while off grid.

Kitchen & Storage

Fully equipped internal cooking space with microwave, 4 burner cooktop and grill, plus a slide-out outdoor kitchen including a multi-burner gas cooktop, sink, pantry and bar counter for convenient meal preparation.

Fridge Storage

Includes an internal fridge along with an external slide-out fridge, offering generous space for food and drink storage during extended stays.

Electrical Awning

Electric push-button awning with anti-flap kit and three detachable sidewalls. Enables fast and secure setup of your outdoor living space in any conditions.
