

X-SERIES RV

NEW X-SERIES SIGNATURE X-TERRA

GLOBAL ENGINEERING, LOCAL STRENGTH

The Signature is a new standard in Australian off-road caravans. Developed in partnership with the same global innovators who build world-leading automotive technologies, this caravan combines precision engineering with rugged durability.

Fully road tested in a tailor made off-road testing facility and track. Built on a heavy-duty chassis with a full composite body, it is designed to go further, last longer, and protect against the toughest conditions Australia can throw at it.

X-SERIES X-TERRA SIGNATURE RAMPS IT UP WITH NEW DESIGN

Featuring a rear drop down access ramp which can double as a sun deck area, Australia's N°1 Toy Hauler has got smarter and more comfortable. Incorporating a gasless design that includes induction cooking, diesel hot water & heating. It has everything you need to get off grid including 950W of solar, 3000W inverter & 600A batteries.
